

List of Qualification Components (Called Unit Standard)

| | |
|--|-----------|
| H & S personal | 13 |
| 497 version 7..... | 13 |
| Demonstrate knowledge of workplace health and safety requirements..... | 13 |
| 17593..... | 16 |
| Apply safe work practices in the workplace | 16 |
| 19522 version 2..... | 19 |
| Undertake job safety analysis..... | 19 |
| 5607..... | 22 |
| Implement workplace health and safety management requirements..... | 22 |
| Communications | 29 |
| 1277 version 5..... | 29 |
| Communicate information in a specified workplace | 29 |
| 9707..... | 32 |
| Demonstrate knowledge of workplace communications requirements..... | 32 |
| 1312..... | 35 |
| Give oral instructions in the workplace | 35 |
| Quality Management Systems | 37 |
| 8440..... | 37 |
| Comply with laboratory quality management systems | 37 |
| 8441..... | 41 |
| Describe laboratory quality systems | 41 |
| 7460..... | 46 |
| Develop, implement and review quality management system..... | 46 |
| 8084..... | 49 |
| Audit quality management systems for compliance with quality standards | 49 |
| Planning & Scheduling | 56 |
| 21335..... | 56 |
| Lead a group/team to achieve an objective(s) | 56 |
| New 1..... | 59 |
| Plan and conduct daily laboratory testing activities in the civil engineering sector | 59 |
| Operation and calibration of equipment | 61 |
| New 2..... | 61 |
| Operate and maintain basic civil engineering laboratory equipment | 61 |
| New 3..... | 67 |
| Operate and maintain pressure measurement equipment | 67 |
| New 4..... | 69 |
| Operate and maintain force measurement equipment | 69 |
| New 5..... | 71 |
| Demonstrate knowledge of field sampling for testing of engineering materials | 71 |
| New 6..... | 74 |
| Calibrate and maintain laboratory test equipment in the civil engineering industry..... | 74 |

| | |
|--|------------|
| Aggregate strand Technician | 78 |
| New 7..... | 78 |
| Describe aggregate source property tests in the civil engineering industry..... | 78 |
| New 8..... | 81 |
| Perform aggregate source property tests in the civil engineering industry..... | 81 |
| New 9..... | 83 |
| Describe aggregate production tests in the civil engineering industry..... | 83 |
| New 10..... | 86 |
| Perform aggregate production tests in the civil engineering industry..... | 86 |
| New 11..... | 88 |
| Describe and complete aggregate sampling in the civil engineering industry..... | 88 |
| Aggregates Strand – Senior Technician Option | 90 |
| New 12..... | 90 |
| Explain aggregate source property tests in the civil engineering industry..... | 90 |
| New 13..... | 93 |
| Evaluate and troubleshoot aggregate source property tests in the civil engineering industry..... | 93 |
| New 14..... | 95 |
| Explain aggregate production tests in the civil engineering industry..... | 95 |
| New 15..... | 98 |
| Evaluate and troubleshoot aggregate production tests in the civil engineering industry..... | 98 |
| Soils Strand – Technician Option | 100 |
| New 16..... | 100 |
| Describe soil classification tests in the civil engineering industry..... | 100 |
| New 17..... | 103 |
| Perform soil classification tests in the civil engineering industry..... | 103 |
| New 18..... | 105 |
| Describe soil density and compaction tests in the civil engineering industry..... | 105 |
| New 19..... | 108 |
| Perform soil density and compaction tests in the civil engineering industry..... | 108 |
| New 20..... | 110 |
| Describe soil strength tests in the civil engineering industry..... | 110 |
| New 21..... | 113 |
| Perform soil strength tests in the civil engineering industry..... | 113 |
| New 22..... | 115 |
| Describe and complete soil sampling in the civil engineering industry..... | 115 |
| Soils Strand – Senior Technician Option | 117 |
| New 23..... | 117 |
| Explain specialist soil tests in the civil engineering industry..... | 117 |
| New 24..... | 120 |
| Evaluate and troubleshoot soil specialist tests in the civil engineering industry..... | 120 |
| New 25..... | 122 |
| Explain soil classification tests in the civil engineering industry..... | 122 |

| | |
|--|------------|
| New 26..... | 125 |
| Evaluate and troubleshoot soil classification tests in the civil engineering industry | 125 |
| New 27..... | 127 |
| Explain soil density and compaction tests in the civil engineering industry | 127 |
| New 28..... | 130 |
| Evaluate and troubleshoot soil density and compaction tests in the civil engineering industry | 130 |
| New 29..... | 132 |
| Explain soil strength tests in the civil engineering industry..... | 132 |
| New 30..... | 135 |
| Evaluate and troubleshoot soil strength tests in the civil engineering industry | 135 |
| Concrete Strand – Technician Option | 137 |
| 12019..... | 137 |
| Carry out routine tests on fresh concrete | 137 |
| 18342 version 3..... | 139 |
| Demonstrate knowledge of concrete production | 139 |
| 12020 version 4..... | 143 |
| Demonstrate knowledge of concrete materials technology | 143 |
| 18340 version 3..... | 147 |
| Test concrete | 147 |
| 18341 version 3..... | 150 |
| Design concrete mixes | 150 |
| Concrete strand – Senior Technician Option..... | 154 |
| New 31..... | 154 |
| Explain fresh concrete tests in the civil engineering industry | 154 |
| New 32..... | 157 |
| Evaluate and troubleshoot fresh concrete tests in the civil engineering industry..... | 157 |
| New 33..... | 159 |
| Explain non-destructive testing for hardened concrete in the civil engineering industry | 159 |
| New 34..... | 162 |
| Evaluate and troubleshoot non-destructive testing for hardened concrete in the civil engineering industry..... | 162 |
| New 35..... | 164 |
| Explain testing for hardened concrete in the civil engineering industry | 164 |
| New 36..... | 167 |
| Evaluate and troubleshoot testing for hardened concrete in the civil engineering industry..... | 167 |
| Field testing strand – Technician Option | 169 |
| New 37..... | 169 |
| Describe field tests in the civil engineering industry..... | 169 |
| New 38..... | 172 |
| Perform field Investigation tests in the civil engineering industry | 172 |
| Field testing strand – Senior Technician Option | 174 |
| New 39..... | 174 |
| Explain field tests in the civil engineering industry | 174 |

| | |
|--|------------|
| New 40..... | 177 |
| Evaluate and troubleshoot field tests in the civil engineering industry..... | 177 |
| Asphalt strand – Technician Option | 179 |
| New 41..... | 179 |
| Explain and complete asphalt sampling in the civil engineering industry..... | 179 |
| New 42..... | 181 |
| Describe asphalt tests in the civil engineering industry | 181 |
| New 43..... | 184 |
| Perform asphalt tests in the civil engineering industry | 184 |
| Asphalt strand – Senior Technician Option | 186 |
| New 44..... | 186 |
| Explain asphalt tests in the civil engineering industry | 186 |
| New 45..... | 189 |
| Evaluate and troubleshoot asphalt tests in the civil engineering industry..... | 189 |
| Bituminous Binder strand – Technician Option..... | 191 |
| New 46..... | 191 |
| Describe bitumen or modified bitumen tests in the civil engineering industry..... | 191 |
| New 47..... | 194 |
| Perform bitumen or modified bitumen tests in the civil engineering industry | 194 |
| New 48..... | 196 |
| Explain and complete bituminous binder sampling in the civil engineering industry | 196 |
| New 49..... | 198 |
| Describe bitumen emulsion tests in the civil engineering industry..... | 198 |
| New 50..... | 201 |
| Perform bitumen emulsion tests in the civil engineering industry..... | 201 |
| Bituminous strand – Senior Technician Option..... | 203 |
| New 51..... | 203 |
| Explain bitumen or modified bitumen tests in the civil engineering industry | 203 |
| New 52..... | 206 |
| Evaluate and troubleshoot bitumen or modified bitumen tests in the civil engineering industry..... | 206 |
| New 53..... | 208 |
| Explain bitumen emulsion tests in the civil engineering industry | 208 |
| New 54..... | 211 |
| Evaluate and troubleshoot bitumen emulsion tests in the civil engineering industry..... | 211 |
| New 55..... | 213 |
| Explain bitumen sprayer tests in the civil engineering industry | 213 |
| New 56..... | 217 |
| Perform bitumen sprayer tests in the civil engineering industry | 217 |
